

HEY JUNIORS!

- 5th graders and younger -

Hey Juniors! You're going to have a GREAT time at camp this summer! Just think... a bunk full of friends to play with... lots of FUN activities to do (just look below!)... cookouts and overnights... amusement park trips... and awesome counselors who will care for you 24 hours a day!

You'll learn to swim, you'll hike, you'll fly on the bungee trampoline, play sports, sing with your friends, and have the time of your life! Camp is awesome!!!

You and your bunkmates participate in 7 different activities every day. One period of swimming (instruction and free swim) is scheduled daily in our HEATED swimming pool. A period of horseback riding instruction is scheduled every week. The rest of the week's activities include all of the activities listed below.

**Riflery is scheduled for super juniors (5th graders). Quad Riding and Jet Skiing are available to juniors if physical requirements are met. Parental approval is required.*

Not all of the fun is outside at the activity sites! Cabin life is also a blast! You'll be in a cabin with 6 to 8 other juniors and 2 to 3 cabin counselors. It's like a sleepover every night! ...with great friends!!!

At least one of the cabin counselors will be an experienced returning staff member so you can rest assured that you and your bunkmates will always be in good hands. You'll also have your own division director watching out for you.

It's going to be a great summer with all these fun people around! *I can't wait!*

5th GRADERS ARE SUPER JUNIORS!

Super Juniors are our oldest juniors. They travel to activities as a cabin group with their counselor for the first week of camp. This is the same cabin structured program format utilized by younger junior cabins.

But our 5TH GRADERS are not just juniors at Camp Lohikan... They're SUPER JUNIORS!!! Perks commensurate with their age and academic accomplishment are deserved!

That's why our oldest juniors are given the option of joining the Elective Program! With parental approval and after completing a week in camp traveling with the cabin group, super juniors can participate in Lohikan's popular Elective Program. Oh yes, we also give our Super Juniors a later curfew!
