

# CAMPER BUNK REQUEST FORM

A lot of care and attention goes into making cabin assignments. We try to balance each cabin with a healthy mix of new and returning campers. **We also try to keep each group composed of campers entering the same**

**grade** (in September after camp) **and enrolled for identical camp sessions.** Please keep this in mind when making a bunk request.

If your child wants to be assigned to a cabin with a friend, this bunk request form should be completed and returned to our New Jersey Office or to our campsite address (if mailing after June 10th). Campers are limited to **2 Bunk Requests**. In each case a **Bunk Request must be completed** (and signed by a parent) **and received from both campers before the request will be guaranteed.**
