

# Private Tennis Lesson Registration Form

Camp Lohikan is noted for its strong tennis program. Small group instruction is available every day. Our tennis director, Stefan Konowalskyj, is assisted by a staff of eight to ten talented college-aged instructors all of whom have teaching experience and play on the college level.

While Camp Lohikan's tennis program focuses upon improving the skills of our players, there is plenty of time and courts always available (We have 11!) to play recreational games. Campers are also encouraged to participate in our in-camp and inter-camp tournaments. For advanced players, we offer a competitive tennis clinic which is operated every two weeks and is available free of charge. [Click here](#) for a list of this summer's clinics.

In addition to the small group instructional program (which is operated daily), we also offer private tennis lessons. The lessons are available at the rate of \$20 per 1/2 hour lesson. To sign-up for private tennis lessons please complete the registration form below and return it to the address indicated below. Payment for the lessons requested must accompany this form.

Please register my child for the following private tennis lessons:

\_\_\_\_\_ Number of private tennis lessons requested.

\_\_\_\_\_ Amount of check enclosed (\$20 x # of lessons).
