

**LET'S
RIDE!
LOHIKAN STYLE!!!**

Campers can schedule as much riding as they want! The ride every day program is included in the camp tuition but there is no limit as to how much riding can schedule. Additional lessons are charged at the rate of \$25.00 a period.

Lohikan's stables is jumping with activity! We have riding lessons scheduled every period, trail rides, horse care clinics, horseshows every two weeks, horseback overnights... It's a comprehensive program that is designed for beginner riders as well as advanced riders. Campers are instructed English style (hunt seat equitation) by a staff of eight riding instructors. Jessica Matthews, our horsemanship

director, has been operating the program for the last ten years and is an accomplished rider for over 20 years. She is an expert horse handler and loves to teach kids!

Lohikan's stables is home for our 30 horses.

We have jumpers, beginner horses and everything in between. Campers are evaluated by the staff and assigned to horses and instructional classes that are appropriate for their skill level. Instructor to camper ratio is never greater than one instructor to five campers.

Lohikan's Advanced Rider Program includes instruction in jumping. Campers are coached in the fundamentals and progress at their own speed to jump safely & under control.

Novice riders are instructed one on one. Experienced riders are invited to participate in Lohikan's Barn Assistant Program. This is where older campers can help out at the barn all day long!

Safety is always the top priority at Lohikan. Certified instructors, the safest equipment, maintained facilities, and mature, close supervision have all contributed to our 60 year record of safety!

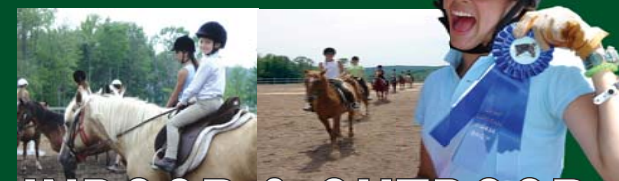

**BEGINNER - ADVANCED
